ALTA SURVEY

So-Good Apartments JV LLC

Springfield, Illinois

CONFIDENTIAL - FOR AUTHORIZED USE ONLY

CONFIDENTIAL

As a senior commercial real estate underwriter and legal expert, I have reviewed the comprehensive ALTA/NSPS Land Title Survey prepared for the 'So-Good Apartments' development. The following document represents a formal and rigorous expert-level assessment and certification of the subject property, adhering strictly to the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys.

ALTA/NSPS LAND TITLE SURVEY

PROJECT NAME: So-Good Apartments Development

LOCATION: 1234 Prosperity Boulevard, Springfield, Capital County, State of Grandia, USA

DATE OF SURVEY: November 27, 2023

EFFECTIVE DATE OF TITLE COMMITMENT: November 01, 2023

PREPARED FOR:

- Lender: Apex Capital Group, LLC
- Insured: Global Title Assurance, Inc. (Commitment No. GTA-2023-SPR-007)
- Developer: Prosperity Development Partners, LP

SURVEYING FIRM:

Precision Meridian Surveyors, PLLC 100 Meridian Plaza, Suite 200, Springfield, Grandia 12345 Contact: Eleanor Vance, P.L.S. Grandia P.L.S. License No.: LS-047892

CERTIFICATION

This is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys, jointly established and adopted by the American Land Title Association and the National Society of Professional Surveyors, and includes Table A Items 1, 2, 3, 4, 6(a), 6(b), 7(a), 7(b)(1), 8, 9, 10, 11, 13, 14, 16, 17, and 18.

The field work was completed on November 20, 2023. This survey accurately depicts the boundaries, improvements, and other features as found on the ground at the time of the survey. All easements and other matters affecting the property as set forth in the Title Commitment, including all schedules and exceptions, referenced below have been plotted and accurately shown on this survey.

Title Commitment Reference: Global Title Assurance, Inc., Commitment No. GTA-2023-SPR-007, with an Effective Date of November 01, 2023, and Amendments A and B thereto.

Date of Certification: November 27, 2023

_____ Eleanor Vance, P.L.S. Grandia Professional Land Surveyor No. LS-047892

GENERAL NOTES AND SPECIFICATIONS

1. Basis of Bearings: All bearings shown hereon are referenced to the Grandia State Plane Coordinate System, NAD83 (2011), Zone 1701 (Springfield), as established by GPS observations to Grandia Control Stations GRS-234 and GRS-235. The Grid Azimuth between said control stations was N 03°15'22" E. 2. Horizontal Datum: North American Datum of 1983 (NAD83, 2011). 3. Vertical Datum: North American Vertical Datum of 1988 (NAVD88) as derived from Grandia Control Station GRS-236, with an established elevation of 215.78 feet. 4. Field Work & Accuracy: This survey was performed to meet a "Property Boundary and Monumentation Accuracy" of 0.07 feet plus 50 parts per million (ppm), consistent with the 2021 ALTA/NSPS standards for Urban Surveys. 5. Monuments: All perimeter monuments shown as "SET" are 5/8-inch iron rods with plastic caps stamped "PLS 047892," driven flush or below grade. Monuments shown as "FOUND" are described as noted. 6. Deed Reference: The subject property is described in that certain Warranty Deed recorded in Instrument No. 2022-00045678, Official Records of Capital County, Grandia, dated October 15, 2022. 7. Easement Documentation: Easements and other matters affecting title were reviewed from the provided Title Commitment No. GTA-2023-SPR-007 and its referenced recorded documents. 8. Abbreviations:

- P.O.B. = Point of Beginning
- P.O.C. = Point of Commencement
- R/W = Right-of-Way
- TYP. = Typical
- U.G. = Underground
- O.H. = Overhead
- F.F. = Finished Floor
- EOP = Edge of Pavement
- AC = Acreage
- SF = Square Feet

LEGAL DESCRIPTION OF SUBJECT PROPERTY

Exhibit: Site Layout Plan

Parcel No.: 14-23-01-001-005

A parcel of land situated in Section 23, Township 1 North, Range 3 East, City of Springfield, Capital County, State of Grandia, being more particularly described as follows:

COMMENCING at the established Southeast corner of said Section 23; THENCE North 01°05'10" West, along the East line of said Section 23, a distance of 1,215.50 feet to a 5/8-inch iron rod with cap (PLS 047892) SET, said point being the POINT OF BEGINNING;

THENCE from said POINT OF BEGINNING, South 88°54'50" West, a distance of 880.00 feet to a 5/8-inch iron rod with cap SET; THENCE North 01°05'10" West, a distance of 433.80 feet to a 5/8-inch iron rod with cap SET; THENCE North 88°54'50" East, a distance of 115.00 feet to a 5/8-inch iron rod with cap SET; THENCE North 01°05'10" West, a distance of 450.00 feet to a 5/8-inch iron rod with cap SET; THENCE North 88°54'50" East, a distance of 765.00 feet to a 5/8-inch iron rod with cap SET on the aforesaid East line of Section 23; THENCE South 01°05'10" East, along said East line of Section 23, a distance of 883.80 feet to the POINT OF BEGINNING.

Containing 8.75 acres, more or less.

SURVEYOR'S FINDINGS AND OBSERVATIONS (ALTA/NSPS TABLE A ITEMS INCLUDED)

This section details the specific findings and observations made during the field survey, addressing the requirements of the selected Table A items.

1. Monuments:

- All property corners for the perimeter boundary were found or set as described in the legal description and General Notes. Specifically, all five (5) corners were found to be 5/8-inch iron rods with PLS caps from a previous survey, which were confirmed to be in good condition and consistent with prior record. No new monuments were required to be set at corners.
- Intermediate boundary points were verified by traverse ties.

2. Address:

- The property's physical address is 1234 Prosperity Boulevard, Springfield, Capital County, Grandia. This address is prominently displayed at the primary ingress point.

3. Flood Zone Designation:

- Based on the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) Panel No. 17019C0345F, effective date March 15, 2020, the entire subject property lies within Zone X, indicating areas outside the 100-year floodplain. No portion of the site is within a Special Flood Hazard Area (SFHA).

4. Gross Land Area:

- The gross surveyed area of the property, calculated from the record legal description and field measurements, is 8.75 acres (381,150 square feet), more or less.

5. Zoning Classification:

- The subject property is zoned R-3 (High-Density Residential) by the City of Springfield Planning Department. Key zoning requirements applicable to the development include:
    - Minimum Lot Area: 1.0 acre. (Site: 8.75 acres ? Complies)
    - Maximum Height: 75 feet or 6 stories. (Proposed 4-story buildings ? Complies)
    - Minimum Setbacks:
        - Front (Prosperity Blvd): 25 feet. (Buildings set back 45 feet ? Complies)
        - Side (East & West): 15 feet. (Buildings set back 30 feet ? Complies)
        - Rear (North): 20 feet. (Buildings set back 50 feet ? Complies)
    - Minimum Parking: 1.5 spaces per dwelling unit. (See Table A Item 11)

6. Easements and Servitudes:

- (a) Visible Evidence of Easements:
    - A 15-foot wide overhead electric transmission line easement runs along the eastern boundary of the property, serving adjacent parcels. Power poles are visible and within the easement. (No current or proposed buildings are within this easement).
    - A 20-foot wide underground sanitary sewer easement is visible crossing the southern portion of the property, parallel to Prosperity Boulevard. Multiple manholes are visible. (Building 1 is constructed clear of this easement by 10 feet).
    - A storm drainage swale and associated 10-foot wide easement is visible along the western property line, draining into the municipal storm system.
- (b) Easements, Encroachments, and Restrictions of Record:
    - Utility Easement (Sewer): A 20-foot wide sanitary sewer easement, as recorded in Document No. 2005-00123456, Official Records of Capital County, burdens the southern portion of the property, located 10 feet north of the northern edge of the Prosperity Boulevard right-of-way. No permanent improvements of the So-Good Apartments encroach into this easement.
    - Utility Easement (Electric): A 15-foot wide overhead electric transmission line easement, as recorded in Document No. 1998-00078901, Official Records of Capital County, runs parallel to and along the entire eastern boundary of the property. No structures or improvements related to the So-Good Apartments are located within this easement, except for perimeter landscaping.
    - Access and Reciprocal Parking Easement: A 30-foot wide ingress/egress and reciprocal

parking easement, recorded in Document No. 2018-00030030, benefits the adjacent commercial parcel to the west. This easement provides shared access to Prosperity Boulevard and allows for overflow parking in designated areas during peak hours. The So-Good Apartments development respects this easement and has incorporated it into its site plan.

- Minor Encroachment: A portion of the existing perimeter chain-link fence along the western boundary, approximately 25 linear feet near the northwest corner, encroaches onto the adjacent property by 0.75 feet. This is a pre-existing condition and does not impact the proposed development. This minor encroachment has been reported to the title insurer.

7. Utilities:

- (a) Utilities Visible and Recorded:
  - Electric: Overhead lines along the eastern boundary (see 6.b) and underground conduits feeding the buildings. Visible transformers and meter banks are shown.
  - Water: Two (2) 8-inch municipal water mains traverse the property (U.G.), feeding the apartment buildings. Visible fire hydrants are located at 200-foot intervals along internal drives.
  - Sanitary Sewer: Main 12-inch sanitary sewer line (U.G.) runs parallel to Prosperity Boulevard within the recorded easement (see 6.b), with lateral connections to each building. Visible manholes are indicated.
  - Storm Sewer: Extensive network of U.G. storm drains and surface inlets discharging into an on-site detention pond located in the northwest corner, which then outflows to the municipal storm drainage system via a 24-inch pipe (U.G.).
  - Natural Gas: U.G. gas lines connect from Prosperity Boulevard to each apartment building. Visible gas meters are located at building exteriors.
  - Telecommunications: U.G. fiber optic and copper lines from Prosperity Boulevard, with pull boxes and junction pedestals visible.
- (b)(1) Identity of Utilities: Based on utility markings, visible features, and available plans, the identified utilities are consistent with those provided by the City of Springfield Public Works and the respective utility companies (Springfield Electric Co., Capital Water & Sewer Authority, Grandia Gas Corp., Grandia-Tel Communications).

8. Access:

- The primary access to the property is via a 40-foot wide dedicated curb cut and concrete driveway located on the northern side of Prosperity Boulevard, providing direct ingress and egress to the public right-of-way. A secondary, 25-foot wide right-in/right-out access point is located 300 feet to the east of the primary access, also on Prosperity Boulevard. Both access points are designed to city standards and are fully within the subject property.

9. Building Setback Requirements:

- As per City of Springfield Zoning Ordinance R-3 district, all existing and proposed buildings comply with the minimum setback requirements detailed in Table A Item 5. The closest finished corner of Building 1 is 45.0 feet from Prosperity Boulevard, 30.2 feet from the eastern property line, 31.5 feet from the western property line, and 50.1 feet from the northern property line.

10. On-Site Improvements:

- Apartment Buildings: Four (4) multi-story residential buildings (Buildings 1, 2, 3, and 4), each 4 stories in height, with a combined total footprint of 75,000 square feet. Approximate F.F.E. (Finished Floor Elevation)

for Building 1 is 221.50 feet NAVD88.

- Clubhouse/Leasing Center: One (1) single-story building (5,000 SF footprint) located centrally.
- Parking Areas: Extensive asphalt paved parking lots and structures. (See Table A Item 11).
- Driveways and Sidewalks: Internal asphalt drives are 24 feet wide. Concrete sidewalks, 5 feet wide, provide pedestrian circulation throughout the property.
- Stormwater Management: One (1) engineered detention pond (surface area 0.5 acres, 2,500 CY capacity) in the northwest corner, equipped with an overflow structure and piped outfall.
- Trash Enclosures: Three (3) masonry trash enclosure facilities with dumpsters.
- Recreational Facilities: Swimming pool (2,000 SF water surface area), dog park (0.25 acres, fenced), children's playground.
- Landscaping: Extensive landscaping, irrigation systems, and perimeter fencing.
- Perimeter Fencing: A 6-foot high ornamental metal fence borders the property along Prosperity Boulevard, with 6-foot chain-link fencing along the northern, eastern, and western boundaries.

11. Parking Areas and Striping:

- Total Parking Spaces Provided: 525 spaces.
- Required Parking (R-3 Zoning): Based on 300 dwelling units at 1.5 spaces/unit = 450 spaces.
- Compliance: The 525 spaces provided exceed the 450 required spaces by 75 spaces, ensuring ample parking for residents and guests. All spaces are striped and clearly delineated. Designated accessible parking spaces (ADA compliant) are distributed throughout the property.

13. Evidence of Recent Earth Moving, Filling, or Grading:

- The entire site shows extensive evidence of recent earth moving, filling, and grading activities consistent with a major construction project. The site is currently 85% complete. Grading contours generally slope from south to north, directing stormwater to the detention pond.

14. Adjoining Properties:

- North: Undeveloped woodland owned by Capital County Land Trust.
- East: Commercial office park (Maplewood Office Complex).
- South: Prosperity Boulevard (public right-of-way) then various commercial retail establishments.
- West: Retail shopping center (Springfield Plaza) with shared access easement.

16. Observed Evidence of Solid Waste:

- No significant uncontained solid waste or hazardous materials were observed on the property, beyond typical construction debris within designated contractor disposal areas.

17. Observed Evidence of Cemeteries or Burial Grounds:

- No evidence of cemeteries, burial grounds, or grave sites was observed on or adjacent to the subject property during the field survey.

18. Names of Adjoining Streets:

- The property fronts directly onto Prosperity Boulevard, a publicly maintained arterial road with a dedicated 80-foot wide right-of-way.
